Subject: 2019-290-WS Blue Granite Public Hearing -- Thursday, February 6th, at 6:00

Importance: High

Due to the concerns about the safety and welfare of the public and those travelling, **the Chairman is cancelling tonight's public hearing in Anderson.** The news outlets in that area will be contacted, as well as the hearing location and locals so that notice can be provided to the public. Any suggestions on how the Commission can further get the word out to the customers of Blue Granite, please advise.

The first line of storms has had severe weather in the upstate area already this morning with 3 tornados or possible tornadoes in the Anderson, Simpsonville and Spartanburg areas. This is just the first line of storms and another line of storms is expected this evening according the weather service around the time that people would be traveling. Due to the safety of all concerned, the Chairman made this decision after the weather reports and other closures.

Please let your clients and others in your office or company who were planning to attend know this as well.

If you have any comments, please advise in accordance with PSC Order No. 2019-748, commission regulations and procedures, and with copy to all parties of record. Thank you for your attention to this matter.
